

SHOGRAN HILL STATION

Shogran is a gorgeous hill station located in Kaghan valley, one of the most beautiful valleys in Pakistan. Every year, hundreds of tourists visit Shogran because of its breathtaking beauty. It is at a height of 2,362 metres (7,749 ft) above sea level. There are many staying options in Shogran but our favorite is Forest rest house. It is a cosy place with elegant wood furniture and décor. The forest-themed rest house is perfect for people who are traveling with family and friends. If you have kids with you then do take them to the mini zoo of Shogran. It is the house of many animals and birds. I'm sure the kids will adore it. If you want to look deeper into nature, then Malkandi forest is the place to be. The thick forest with its exotic variety of plants and birds is a heaven.
