

KATASRAJ TEMPLE

Hindu temples in Pakistan- say what?! Yup you read that right- the Katasraj Temples are located near the village of Dulmial in Punjab and are said to be from the 7th Century CE or earlier. The temples surround a lake that is even fabled to have magical powers! The famous Hindu epic Mahabharata also gives them a mention, and it's well known that the founder of the Sikh Faith- Guru Nanak- often visited the site in more recent centuries.
