

PAYEE LAKE

Having an incredibly attractive view, Payee Lake exists under the greenish meadows of Payee nearby the Shogren in Kaghan valley. Its altitude is almost 9500 feet. The Lake is known as one of the most spectacular lakes of the country as it's surrounded by the peak of Makrda, Malka-e-Parbat, Mosy Damsli (most beautiful & high peaks) and the mountain os Kashmir. Stunning coverage of meadows around Paaye depicts it as a scene of the imaginary world.
